Servicing Agreement

ARTICLE 1

DEFINITIONS AND INTERPRETATION

- 1.1 The master definitions and construction agreement made between, *inter alios*, the parties to this Agreement on August 10, 2018 (as the same may be amended, restated, varied or supplemented from time to time with the consent of the parties thereto) (the “**Master Definitions and Construction Agreement**”) is expressly and specifically incorporated into this Agreement and, accordingly, the expressions defined in the Master Definitions and Construction Agreement (as so amended, restated, varied or supplemented) shall, except where the context otherwise requires and save where otherwise defined herein, have the same meanings in this Agreement, including the recitals hereto and this Agreement shall be construed in accordance with the interpretation provisions set out in Section 2 of the Master Definitions and Construction Agreement.
- 1.2 For the purposes hereof, “this Agreement” has the same meaning as Servicing Agreement in the Master Definitions and Construction Agreement.
- 1.3 Save as expressly provided herein, any warranties or undertakings provided under this Agreement are made to each other party to this Agreement.
- 1.4 In the event that an additional or substitute servicer or a New Seller become(s) party to this Agreement references herein to Servicer and Seller, as applicable, shall include such additional or substitute servicer or New Seller, as applicable, unless otherwise specified or required by the context in which such terms are used in this Agreement and references to Portfolio Assets herein shall be deemed to refer in respect of each Servicer or Seller party hereto, to those Portfolio Assets sold by such Seller or Servicer to the Guarantor and not to the Portfolio Assets sold by any other Seller or Servicer to the Guarantor.

ARTICLE 2

APPOINTMENT OF SERVICER

- 2.1 Subject to Sections 2.3 and 4.5, and until terminated pursuant to Article 17, the Guarantor hereby confirms the appointment of the Servicer as its lawful agent on its behalf to service the Portfolio Assets in the Covered Bond Portfolio, to exercise the rights, powers and discretions of the Guarantor, and to perform the duties of the Guarantor, under and in relation to those Portfolio Assets. The Servicer hereby accepts such appointment on the terms and subject to the conditions of this Agreement. The Bond Trustee consents to the appointment of the Servicer on the terms of and subject to the conditions of this Agreement.
- 2.2 For the avoidance of doubt and in connection with the rights, powers and discretions conferred under Section 2.1, during the continuance of its appointment hereunder, the Servicer shall, subject to the terms and conditions of this Agreement, the Mortgage Terms, the Mortgage Sale Agreement, the Security Agreement and the Guarantor Agreement, have the full power, authority and right to do or cause to be done any and all things, not

inconsistent with the sale, transfer and assignment of the Portfolio Assets to the Guarantor, which it reasonably considers necessary, convenient or incidental to the servicing of the Portfolio Assets or the exercise of such rights, powers and discretions, provided however that neither the Guarantor nor its Partners shall be required or obliged at any time to enter into any transaction or to comply with any directions which the Servicer may give with respect to the operating and financial policies of the Guarantor and the Servicer hereby acknowledges that all powers to determine such policies (including the determination of whether or not any particular policy is for the benefit of the Guarantor) are, and shall at all times remain, vested in the Guarantor (and its Partners) and none of the provisions of this Agreement shall be construed in a manner inconsistent with this proviso.

- 2.3 The confirmation of appointment pursuant to Section 2.1 is conditional upon an initial purchase of Portfolio Assets by the Guarantor from the Seller having taken place under the Mortgage Sale Agreement and shall take effect upon and from the first Purchase Date under the Mortgage Sale Agreement automatically without any further action on the part of any person.

ARTICLE 3 THE SERVICES

3.1 General

- (a) The duty of the Servicer shall be to administer and service the Portfolio Assets comprised in the Covered Bond Portfolio in accordance with applicable law, this Agreement (including the provision of services set out in Schedule 1 hereto, the “**Services**”), and the other Transaction Documents and with reasonable care and diligence, using that degree of skill and attention that it exercises in managing, servicing, administering, collecting on and performing similar functions relating to comparable loans that it services for itself.
- (b) If and when the Servicer is requested to confirm or state the capacity in which it is servicing the Portfolio Assets sold by the Seller to the Guarantor and related matters pursuant to this Agreement by any Borrower or any third party not being a party to this Agreement and to whom the Servicer is obliged by law to disclose such information, the Servicer shall confirm or state that it is acting in its capacity as servicer of the Portfolio Assets sold by the Seller to the Guarantor and related matters as agent for and on behalf of the Guarantor (and, with respect to Seller Retained Loans, for and on behalf of the Seller or other beneficial owner (or owner)) and not on its own behalf.

3.2 Sub-contracts

- (a) The Servicer may sub-contract or delegate the performance of all or any of its powers and obligations under this Agreement, provided that (but subject to Section 3.2(b)):

- (iii) where the arrangements involve or may involve the receipt by the sub-contractor or delegate of monies belonging to the Guarantor, in accordance with this Agreement the sub-contractor or delegate has executed a declaration in form and substance acceptable to the Guarantor (or the Cash Manager on its behalf) that any such monies held by it or to its order are held in trust for the Guarantor (and, with respect to Seller Retained Loans, for the Seller or other beneficial owner (or owner)) and will be paid forthwith and in any event within five Canadian Business Days (inclusive of any cure periods that may otherwise be applicable) to (A) the Cash Manager prior to a downgrade in the ratings of the Cash Manager by one or more Rating Agencies below the Cash Management Deposit Ratings, (B) the Servicer, prior to a downgrade in the ratings of the Servicer by one or more Rating Agencies below the Servicer Deposit Threshold Ratings, and following any such downgrade, into the GIC Account, or (C) following any such downgrade referred to in (A) or (B) above, or the occurrence of a Covered Bond Guarantee Activation Event, as applicable, into the GIC Account (or, as applicable, the Standby GIC Account) or the Transaction Account (or, as applicable, the Standby Transaction Account) as applicable, in accordance with the provisions of this Agreement, the Cash Management Agreement, the Guarantor Agreement, the Bank Account Agreement (or, as applicable, the Standby Bank Account Agreement) and/or the Security Agreement;
- (iv) any such sub-contractor or delegate has executed a written waiver of any Security Interest arising in connection with such delegated Services (to the extent that such Security Interest relates to the Covered Bond Portfolio or any amount referred to in (iii) above); and

- (v) neither the Bond Trustee nor the Guarantor shall have any liability for any costs, charges or expenses payable to or incurred by such sub-contractor or delegate or arising from the entering into, the continuance or the termination of any such arrangement.
- (b) The *provisos* to Section 3.2(a)(i), (ii) and (iii) shall not apply:
 - (i) to the engagement by the Servicer of:

 - (B) any locksmith, builder or other contractor acting as such in relation to a Property,

in any such case being a person or persons whom the Servicer would be willing to appoint in respect of its own mortgages in connection with the performance by the Servicer of any of its obligations or functions or in connection with the exercise of its powers under this Agreement; or
 - (ii) to any delegation to any other member of the HSBC Group from time to time.
- (c) The Guarantor and the Bond Trustee may by notice in writing require the Servicer to assign to the Guarantor any rights which the Servicer may have against any sub-contractor or delegate arising from the performance of services by such person relating to any matter contemplated by this Agreement and the Servicer acknowledges that such rights assigned to the Guarantor will be exercised by the Guarantor subject to the terms of the Guarantor Agreement, the Security Agreement and the Security Sharing Agreement.
- (d) Notwithstanding any sub-contracting or delegation of the performance of its obligations under this Agreement, the Servicer shall not thereby be released or discharged from any liability hereunder and shall remain responsible for the performance of all of the obligations of the Servicer under this Agreement, and the performance or non-performance or the manner of performance of any sub-contractor or delegate of any of the Services shall not affect the Servicer's obligations under this Agreement.

3.3 **Liability of Servicer**

The Servicer, solely in its capacity as servicer, shall indemnify the Guarantor on demand for any loss, liability, claim, expense or damage suffered or incurred by the Guarantor in

respect of the negligence or wilful default of the Servicer in carrying out its functions, as servicer, under this Agreement or the other Transaction Documents to which it is a party as servicer to the extent such negligence or wilful default results in a breach by the Servicer of the terms and provisions of this Agreement or the other Transaction Documents in relation to such functions as servicer. For the avoidance of doubt, the Servicer shall not be liable in respect of any loss, liability, claim, expense or damage suffered or incurred by the Guarantor and/or any other Person as a result of the performance by the Servicer of the Services in accordance with the standards of a Reasonable and Prudent Mortgage Lender.

3.4 Perfection of the Sale of Loans to the Guarantor

- (a) Subject to Section 7.1(b) of the Mortgage Sale Agreement, the Servicer shall, as soon as practicable and within 60 days of the happening of any of the events referred to in Section 7.1(a) of the Mortgage Sale Agreement, take such steps and procure the doing of all or any acts, matters or things as may be necessary, based on the advice of counsel, to Perfect on behalf of the Seller (pursuant to and in reliance in the Seller Assignment(s) and Seller Power(s) of Attorney) the sales, transfers and assignments of the Purchased Portfolio Assets then in the Covered Bond Portfolio in accordance with Section 7.1(a) of the Mortgage Sale Agreement or shall provide sufficient information to the Guarantor and the Bond Trustee to enable the Guarantor or the Bond Trustee to Perfect or cause to be Perfected on behalf of the Seller (pursuant to and in reliance on the Seller Assignment(s) and Seller Power(s) of Attorney) such sales, transfers and assignments.
- (b) Subject to Section 3.4(a) of this Agreement, Section 7.1 of the Mortgage Sale Agreement and the Security Sharing Agreement, prior to the happening of any of the events referred to in Section 7.1(a) of the Mortgage Sale Agreement, the Servicer shall not be required to notify any person of the Guarantor's interest in any Loans or their Related Security in the Covered Bond Portfolio.

ARTICLE 4 GUARANTOR VARIABLE RATE

- 4.1 Subject to Section 4.5, the Guarantor hereby grants the Servicer full right, liberty and authority from time to time, subject to and in accordance with the relevant Mortgage Terms, to determine and set the Guarantor Variable Rate chargeable to Borrowers in relation to those Variable Rate Loans sold by the Seller to the Guarantor in the Covered Bond Portfolio for which the reference rate of interest or margins may from time to time be set by the Guarantor at a rate or margin other than the Seller's Variable Rate. In exercising such right, liberty and authority to set the Guarantor Variable Rate the Servicer undertakes to each of the other parties to this Agreement that it shall set the Guarantor Variable Rate in accordance with the Seller's Policy, which is the Guarantor's policy to which the Servicer will adhere, and shall not at any time set or maintain the Guarantor Variable Rate at a rate which is higher than (although such rate may be lower than or equal to) the then prevailing Seller's Variable Rate (in respect of the same type of Loans, if applicable),

except as described in this Article 4. Prior to the occurrence of (i) a Covered Bond Guarantee Activation Event, or (ii) a Servicer Event of Default, the Servicer will not at any time without the prior written consent of the Guarantor, set or maintain the Guarantor Variable Rate at a rate which is higher than (although it may be lower than or equal to) the then prevailing Seller's Variable Rate which applies to the similar type of loans owned by the Seller.

4.2 The Servicer shall (i) take the steps rendered necessary by the relevant Mortgage Terms and applicable law to bring each change in such rate or rates of interest to the attention of the relevant Borrowers, whether due to a change in the Guarantor Variable Rate or as a consequence of any provisions of the Mortgage Terms; and (ii) notify the Guarantor and the Bond Trustee in writing as soon as reasonably practicable of any change in the Guarantor Variable Rate, provided that posting of any change in the Seller's Variable Rate on the website of the Seller shall be deemed to constitute notice to the Guarantor and the Bond Trustee of a change in the Guarantor Variable Rate (except to the extent that the Guarantor Variable Rate has been set at a rate other than the Seller Variable Rate in accordance with the terms of this Article 4). All costs arising in relation to such a notification of a change in such rate or rates of interest shall be borne by the Servicer.

4.3 (a) Prior to the occurrence of an Issuer Event of Default, the Servicer shall determine on each Calculation Date, having regard to:

- (i) the aggregate income which the Guarantor would expect to receive during the next succeeding Guarantor Payment Period (the “**Relevant Interest Period**”);
- (ii) the Guarantor Variable Rate and the Seller's Variable Rate set for the Relevant Interest Period in respect of the Loans; and
- (iii) the other resources available to the Guarantor including the relevant Interest Rate Swap Agreements, the relevant Covered Bond Swap Agreements and the Reserve Fund,

whether the Guarantor would receive an amount of income during the Relevant Interest Period which when aggregated with the funds otherwise available to the Guarantor is less than the amount which is the aggregate of (1) the amount of interest which would be payable (or provided to be paid) under the Covered Bond Guarantee on each Guarantor Payment Date falling at the end of the Relevant Interest Period and any relevant amounts which would be payable (or provided to be paid) to the Covered Bond Swap Providers under the Covered Bond Swap Agreements in respect of all Covered Bonds on each Guarantor Payment Date of each Series of Covered Bonds falling at the end of each Relevant Interest Period and (2) the other senior expenses payable by the Guarantor ranking in priority thereto in accordance with the relevant Priorities of Payments applicable prior to a Guarantor Event of Default (the “**Guarantor Obligation Shortfall Test**”).

- (b) If the Servicer determines that the Guarantor Obligation Shortfall Test will not be met, it will within one Canadian Business Day of such determination give written notice to the Guarantor and the Bond Trustee of the amount by which the Guarantor Obligation Shortfall Test will not be met. If the Guarantor or the Bond Trustee notifies the Servicer and the Bank that, having regard to the obligations of the Guarantor and the amount of the shortfall, further Portfolio Assets should be sold to the Guarantor, the Bank will use all reasonable efforts to ensure that the Guarantor Obligation Shortfall Test for such period will be met. This may include making Advances under the Intercompany Loan, selling New Loans and their Related Security to the Guarantor, or making a Capital Contribution on or before the next Calculation Date in such amounts and with such rates or margins, as applicable, sufficient to avoid such shortfall on future Calculation Dates. For greater certainty, there shall be no obligation on the Servicer to adjust the Guarantor Variable Rate to ensure the Guarantor Obligation Shortfall Test will be met for the Relevant Interest Period.

4.4 (a) Following an Issuer Event of Default, the Servicer shall determine on each Calculation Date, having regard to the aggregate of:

- (i) the Guarantor Variable Rate and the Seller's Variable Rates set for the Relevant Interest Period in respect of the Loans; and
- (ii) the other resources available to the Guarantor under the Interest Rate Swap Agreement,

whether the Guarantor would receive an aggregate amount of interest on the Loans sufficient to pay the full amounts payable under the Interest Rate Swap Agreement during the Relevant Interest Period (the “**Post Issuer Event of Default Yield Shortfall Test**”).

- (b) If the Servicer determines that the Post Issuer Event of Default Yield Shortfall Test will not be met, it will give written notice to the Guarantor and the Bond Trustee, within three Canadian Business Days, of the amount of the shortfall and the Guarantor Variable Rate which would (taking into account the applicable Mortgage Terms), in its reasonable opinion need to be set in order for no shortfall to arise and the Post Issuer Event of Default Yield Shortfall Test to be met, having regard to the date(s) (which shall be specified in the notice) on which such change to the Guarantor Variable Rate would take effect and at all times acting in accordance with the standards of Reasonable and Prudent Mortgage Lenders.
- (c) If the Guarantor or the Bond Trustee notifies the Servicer that, having regard to the obligations of the Guarantor, the Guarantor Variable Rate should be changed as set out in the notice referred to in Section 4.4(b), the Servicer shall take all steps which are necessary, including publishing any notice which is required in accordance with

the Mortgage Terms, to effect such change in the Guarantor Variable Rate on the date(s) specified in the notice referred to in Section 4.4(b).

- 4.5 The Guarantor and the Bond Trustee may terminate the authority of the Servicer to determine the Guarantor Variable Rate pursuant to the terms of this Article 4 on or after the occurrence of a Servicer Event of Default, in which case the Guarantor and the Bond Trustee will agree to appoint the replacement Servicer to set the Guarantor's Variable Rate in accordance with this Article 4.

ARTICLE 5 ADMINISTRATION OF MORTGAGES

5.1 Direct Debiting System

- (a) For the purposes of collecting amounts due from Borrowers under the Portfolio Assets sold by the Seller to the Guarantor comprised in the Covered Bond Portfolio, the Servicer in accordance with this Agreement will, unless otherwise agreed to in writing with the Guarantor, act or cause another Person approved in writing by the Guarantor (such approval not to be unreasonably withheld) to act as collection agent for the Guarantor under a scheme for either the manual or automated debiting of bank accounts (the “**Direct Debiting System**”) provided such Direct Debiting System is operated in accordance with policies and procedures which would be acceptable to a Reasonable and Prudent Mortgage Lender.
- (b) If at any time the Servicer shall receive notice whether under the Direct Debiting System or otherwise that any amount or part thereof which was paid in or collected under the Direct Debiting System and which has been transferred to the Cash Manager or the GIC Account, as the case may be, has not been received as cleared funds or has otherwise been recalled, the Servicer shall notify the Cash Manager and instruct the Cash Manager to, and the Cash Manager shall, forthwith return or debit the GIC Account and transfer to the Servicer or credit such account as the Servicer may direct in writing for the whole or any part of such amount and an amount equal to any costs which are not recoverable by the Servicer from the relevant Borrower and incurred by the Servicer as a result of such shortfall provided that no amount returned by the Cash Manager or debited from the GIC Account for the credit of the collection accounts in respect of any shortfall may be made on or after a Calculation Date in respect of the relevant period between that Calculation Date and the next Guarantor Payment Date unless sufficient funds are available after providing or making provision for all payments to be made by the Guarantor on the next succeeding Guarantor Payment Date. In the event any such amount is not repaid prior to the relevant Guarantor Payment Date, the Guarantor shall on or after such Guarantor Payment Date, transfer, or cause to be transferred on its behalf, from the Cash Manager or the GIC Account to the Servicer or such account as the Servicer may direct in writing an amount equal to such shortfall, subject to the Guarantor having sufficient funds available to it to do so or the

Servicer shall deduct an amount equal to such shortfall from payments otherwise paid to the Guarantor (or the Cash Manager on its behalf) by the Borrowers in respect of Principal Receipts and Revenue Receipts received under the Loans.

5.2 Administration and Enforcement of Mortgages

The Servicer shall provide the Services and carry out its specific obligations under this Agreement in accordance with the Seller's Policy.

5.3 Records

The Servicer shall keep and maintain records in relation to the Loans sold by the Seller to the Guarantor comprised in the Covered Bond Portfolio, on a Loan by Loan basis, for the purposes of identifying amounts paid by each Borrower, any amount due from a Borrower and the principal balance (and, if different, the total balance) from time to time outstanding on a Borrower's account and such other records as would be kept by a Reasonable and Prudent Mortgage Lender. The Servicer will provide such information to the Guarantor and/or the Bond Trustee or to their order at all reasonable times upon reasonable notice subject to the Servicer being reasonably capable of providing such information without significant additional cost and subject to the provisions of applicable law and other applicable legislation from time to time and provided that no duty of confidence and no industry code of practice will or may be breached thereby.

5.4 Trust

If the Servicer, solely in its capacity (including in its capacity as agent for the Guarantor) as servicer hereunder, receives any Collections in respect of the Portfolio Assets in the Covered Bond Portfolio (including pursuant to the Direct Debiting System) following the Purchase Date in respect of such Portfolio Assets, to which the Guarantor is entitled and which are to be paid to the Cash Manager or the Guarantor Accounts, as the case may be, it will hold such monies in trust for the Guarantor and shall, but subject to the entitlements of the Seller or other beneficial owner (or owner) in respect of any Seller Retained Loan:

- (a) prior to (x) a downgrade in the ratings of the Servicer by one or more Rating Agencies below the Servicer Deposit Threshold Ratings or (y) the occurrence of a Covered Bond Guarantee Activation Event, transfer such monies on or before the next Guarantor Payment Date (i) to the Cash Manager prior to a downgrade in the ratings of the Cash Manager by one or more Rating Agencies below the Cash Management Deposit Ratings, and (ii) following a downgrade of the ratings of the Cash Manager by one or more Rating Agencies below the Cash Management Deposit Ratings into the GIC Account;
- (b) in the event of a downgrade in the ratings of the Servicer by one or more Rating Agencies below the Servicer Deposit Threshold Ratings, transfer such monies (i) to the Cash Manager prior to a downgrade in the ratings of the Cash Manager by one

or more Rating Agencies below the Cash Management Deposit Ratings, and (ii) following a downgrade of the ratings of the Cash Manager by one or more Rating Agencies below the Cash Management Deposit Ratings into the GIC Account, in each case within two Canadian Business Days of the collection and/or receipt thereof; or

- (c) following the occurrence of a Covered Bond Guarantee Activation Event, transfer such monies into the GIC Account within two Canadian Business Days of the collection and/or receipt thereof.

All other sums received by the Servicer in respect of the Loans sold by the Seller to the Guarantor and their Related Security not constituting Collections shall be held by the Servicer for itself on account of expenses incurred or to be incurred in connection with the Loan, including insurance premiums and property taxes.

ARTICLE 6 NO LIABILITY

- 6.1 The Servicer, in its capacity as servicer, shall have no liability for any obligation of a Borrower under any Loan comprised in the Covered Bond Portfolio or any Related Security and nothing herein shall constitute a guarantee, or similar obligation, by the Servicer, in such capacity, of any Loan, any Related Security or any Borrower.
- 6.2 Save as otherwise provided in this Agreement, the Servicer, in its capacity as servicer, shall have no liability for the obligations of the Guarantor under any of the Transaction Documents or otherwise and nothing herein shall constitute a guarantee, or similar obligation, by the Servicer, in such capacity, of the Guarantor in respect of any of those obligations.

ARTICLE 7 NEW LOANS

- 7.1 The Covered Bond Portfolio may be augmented from time to time by the sale to the Guarantor on any Purchase Date of New Loans and their Related Security by the Seller (or another Person) in accordance with the Mortgage Sale Agreement, which sales will in all cases be subject to the terms set out in the Mortgage Sale Agreement.
- 7.2 In the event the Guarantor acquires the beneficial interest in New Loans from a Person other than the Seller, the Servicer shall not be under any obligation to service such New Loans under the terms of this Agreement. However, the Servicer may agree to service such New Loans, subject to such amendments to the terms hereof, including without limitation, with respect to fees and reimbursement for costs of providing the Services in respect of such New Loans, as the Servicer, the Guarantor, the Bond Trustee and the seller of such New Loans, may agree, in accordance with Article 25 hereof.

ARTICLE 8
PRODUCT SWITCHES, FURTHER ADVANCES AND ADDITIONAL LOAN
ADVANCES

- 8.1 The Seller hereby agrees with each of the parties hereto that (i) the Servicer shall be entitled to accept, in its sole discretion, any application for a Product Switch or Additional Loan Advance, and the Seller upon a direction from the Servicer shall (if the Seller is other than the Servicer) make any Further Advance or Additional Loan Advance, in respect of any Loan in the Covered Bond Portfolio sold by the Seller to the Guarantor; (ii) in respect of a Loan and its Related Security to which a Further Advance, Additional Loan Advance or Product Switch has been made, the representations and warranties made by the Seller in paragraphs (d), (g), (h), (j), (m), (n), (o), (p) through (w) and (aa) through (jj) of Section 4.1 of the Mortgage Sale Agreement shall be true and correct in respect of any such Loan on the next Calculation Date, and if required by the Guarantor in writing, the Seller shall repurchase the relevant Loan and its Related Security from the Guarantor for its Fair Market Value as of the Calculation Date following the date on which the relevant Product Switch, Further Advance or Additional Loan Advance occurred, if (x) any such representation and warranty shall not be true and correct, or (y) the relevant Product Switch, Further Advance or Additional Loan Advance, as the case may be, results in paragraphs (c), (d), (e) and (f) of the Eligibility Criteria not being satisfied, in each case in respect of any such Loan on the next Calculation Date.
- 8.2 For greater certainty, any Further Advance or Additional Loan Advance in respect of any Loan in the Covered Bond Portfolio sold by the Seller to the Guarantor shall be funded by the Seller on an unsecured basis in accordance with the terms of the Intercompany Loan Agreement and the Guarantor Agreement and the Guarantor shall have no obligation to make any Further Advance or Additional Loan Advance.
- 8.3 The Servicer shall notify the Seller (if other than the Servicer) and the Guarantor (or the Cash Manager on its behalf) following acceptance by the Servicer of any application for a Product Switch or Additional Loan Advance.
- 8.4 The Servicer shall act in accordance with the policies or procedures of the Seller relating to Product Switches, Additional Loan Advances and Further Advances in accepting applications from Borrowers for Product Switches and Additional Loan Advances and in permitting any Further Advance to Borrowers in respect of Loans in the Covered Bond Portfolio in accordance with Section 8.1. For greater certainty any such Additional Loan Advance or other Further Advance shall be funded by the Seller in accordance with Section 8.2.

ARTICLE 9
REDEMPTION OF MORTGAGES

- 9.1 Upon receipt of repayment in full of all sums due in relation to Loans in the Covered Bond Portfolio sold by the Seller to the Guarantor secured by a Mortgage and/or other Related

Security comprised in the Covered Bond Portfolio, the Servicer shall, and is hereby authorized by the Seller and the Guarantor to, in the name of the Seller or the Guarantor, execute a receipt, discharge or other relevant document releasing the Mortgage at the applicable land registry office, land titles office or similar place of public record in which the related Mortgage is registered and any such other or further instrument or deed of satisfaction regarding such Mortgage and/or the Related Security as it considers to be necessary or advisable to release the relevant conveyancing deeds and documents, if any, which make up the title to such Property and the security for the Loan to the person or persons entitled thereto. The foregoing shall be in addition to any right of the Servicer under Article 10 to grant postponements and partial releases or discharges in respect of any Loan in the Covered Bond Portfolio sold by the Seller to the Guarantor.

- 9.2 The Servicer undertakes that prior to any actual release by it of the relevant documents as described in Section 9.1 above it will take such steps as would be taken by a Reasonable and Prudent Mortgage Lender to satisfy itself that such documents are being released to the person or persons entitled thereto.
- 9.3 Following any Enforcement Procedures taken by the Servicer as part of its performance of the Services hereunder, if upon completion of such Enforcement Procedures, an amount in excess of all sums due by the relevant Borrower to the Guarantor in respect of or related to the relevant Loan pursuant to the Mortgage Terms is recovered or received, the Servicer will cause the balance, after discharge of any sums due by the Borrower in respect thereof, to be paid to the person or persons next entitled thereto in accordance with the Mortgage Terms and applicable laws.

ARTICLE 10

POWERS OF ATTORNEY

- 10.1 For good and valuable consideration and as security for the interests of the Guarantor hereunder, each of the Guarantor and the Seller (solely in respect of Loans in the Covered Bond Portfolio sold by the Seller to the Guarantor) hereby appoint the Servicer as its attorney on its behalf, and in its own or the attorney's name, for the following purposes:
- (a) executing all documents and doing all such acts and things which in the reasonable opinion of the Servicer are necessary or desirable for the efficient provision of the Services hereunder including without limitation in connection with exercising its rights, powers and discretion pursuant to Article 4 with respect to fixing the Guarantor Variable Rate; and

COSTS AND EXPENSES

- 11.1 The Servicer hereby acknowledges that each Loan in the Covered Bond Portfolio and its Related Security are sold by the Seller to the Guarantor on a fully-serviced basis for a single consideration equal to the Aggregate Purchase Price. and expenses incurred by the Servicer which are properly recoverable from those Borrowers under the relevant Mortgage Terms.

12.1 Maintenance of Records

- (a) Subject to Article 14, the Servicer shall keep the Loan Files relating to the Portfolio Assets sold by the Seller to the Guarantor comprised in the Covered Bond Portfolio in safe custody and shall not without the prior written consent of the Guarantor part with possession, custody or control of them otherwise than to a sub-contractor or delegate appointed pursuant to Section 3.2, to the Custodian pursuant to the terms of the Custodial Agreement, or to a solicitor, licensed conveyancer, qualified conveyancer or authorized practitioner, subject to such undertakings as would be acceptable to a Reasonable and Prudent Mortgage Lender in similar circumstances. - (b) The Loan Files relating to the Portfolio Assets sold by the Seller to the Guarantor comprised in the Covered Bond Portfolio shall be kept in such manner so that a computer record is maintained of their location and they are identifiable and retrievable by reference to an account number and pool identifier and identifiable and distinguishable from the conveyancing deeds and documents which make up the title and security relating to properties and mortgages outside of the Covered Bond Portfolio for which the Servicer is mortgagee or acts as servicer and, in chronological order: (i) the installment due dates for each Mortgage; (ii) the amount and date of each collection, disbursement, advance, adjustment or other transaction affecting the amounts due from or to each Mortgage debtor; and (iii) the latest outstanding balances of principal, deposits, advances and unapplied payments of each mortgage.

Portfolio Assets sold by the Seller to the Guarantor comprised in the Covered Bond Portfolio in its possession, custody or control will be held to the order of the Guarantor and, pursuant to the Security Agreement, the Bond Trustee and that it has, in its capacity as Servicer, no beneficial interest therein and the Servicer irrevocably waives any rights or any Security Interest which it might have therein or to which it might at any time be entitled.

- (e) The Servicer shall maintain a register of the Covered Bond Portfolio to include, amongst other things, such records as are necessary to enforce each Mortgage in the Covered Bond Portfolio and, where relevant, any other Related Security and the Servicer shall maintain duplicate computer records with respect to the Portfolio Assets in the Covered Bond Portfolio at a location separate from that in which the original computer records are stored and in an environment conducive to the safe storage of electronic media, such records to be held to the order of the Guarantor and to be replaced by a revised duplicate as and when the original records are revised.
- (f) The Servicer shall keep the Guarantor informed of the location of the Loan Files and duplicate computer records.
- (g) The Servicer shall, within a reasonable period following the termination of the appointment of the Servicer pursuant to Article 18 of this Agreement, deliver all Loan Files (and duplicate computer or electronic records) relating to the Portfolio Assets in the Covered Bond Portfolio to or to the order of the Guarantor, the Custodian or to such Person as the Guarantor may elect as a substitute servicer in accordance with the terms of this Agreement, upon written request by or on behalf of the Guarantor made at any time on or after notice of, or on or after, termination of the appointment of the Servicer pursuant to Article 18 of this Agreement and shall prior to delivery thereof cooperate with such person in providing such information and documentation as may be necessary for such person to provide the Services with respect to the Portfolio Assets in the Covered Bond Portfolio.

- (a) The Servicer covenants that at the date hereof in respect of the software which is used by the Servicer in providing the Services, it shall for the duration of this Agreement:
 - (i) ensure that it has in place all necessary licences and/or consents from the respective licensor or licensors (if any) of such software; and
 - (ii) except in so far as it would breach any other of its legal obligations, grant to any person to whom it may sub-contract or delegate the performance of all or any of its powers and obligations under this Agreement and/or to such person as the Guarantor elects as a substitute servicer in accordance with the

terms of this Agreement a licence to use any proprietary software together with any updates which may be made thereto from time to time.

- (b) The Servicer shall maintain the information technology systems used by the Servicer in providing the Services in accordance with the standards of a Reasonable and Prudent Mortgage Lender.
- (c) The Servicer shall pass to any person to whom it may sub-contract or delegate the performance of all or any of its powers and obligations under this Agreement and/or to such person as the Guarantor elects as a substitute servicer in accordance with the terms of this Agreement the benefit of any warranties in relation to the software insofar as the same are capable of assignment.

12.3 Access to Books and Records

Subject to all applicable laws, the Servicer shall permit the Guarantor (and its auditors), the Asset Monitor and the Bond Trustee and any other person nominated by the Guarantor (to whom the Servicer has no reasonable objection) upon reasonable notice (given the nature of the information and/or documentation requested) during normal office hours to have access, or procure that such person or persons are granted access, to all books of record and account (including, for the avoidance of doubt, the Loan Files) relating to the administration of the Portfolio Assets sold by the Seller to the Guarantor comprised in the Covered Bond Portfolio and related matters in accordance with this Agreement.

12.4 Information Covenants

- (a) The Servicer shall assist the Cash Manager in the production of the Investor Reports.
- (b) The Servicer shall take reasonable steps to notify the Rating Agencies in writing of the details of any proposed material change in the valuation procedures or policies applied or to be applied in relation to Properties by it in connection with its mortgage business (details of which change may be included in a report provided under paragraph (a)) and, such other information relating to its mortgage business and financial condition as the Rating Agencies may reasonably request in connection with the ratings of any Covered Bonds then outstanding, provided that such request does not adversely interfere with the Servicer's day to day provision of the Services under the other terms of this Agreement. For greater certainty, any failure by the Servicer to deliver any such notice prior to making any such proposed change shall not limit the ability of the Servicer to proceed with any such change or constitute a breach of the obligations of the Servicer hereunder.
- (c) The Servicer shall make available upon request to the Guarantor (or the Cash Manager on its behalf) and the Bond Trustee monthly a report stored upon electronic media including, but not limited to, a CD-ROM in a form acceptable to

- (d) The Servicer shall, subject to applicable laws and the Servicer Privacy Policies, at the request of the Guarantor and the Bond Trustee, furnish the Guarantor, the Bond Trustee and the Rating Agencies with such other information relating to its business and financial condition as it may be reasonable for the Guarantor and the Bond Trustee (as appropriate) to request in connection with the ratings of any Covered Bonds issued under the Programme by the Rating Agencies and other matters contemplated by the Programme, provided that the Guarantor or the Bond Trustee (as appropriate) shall not make such a request more than once every three months unless, in the belief of the Guarantor or the Bond Trustee (as appropriate), a Guarantor Event of Default or a Servicer Termination Event shall have occurred and is continuing or may reasonably be expected to occur.

counterpart to the Security Sharing Agreement to the parties to the Security Sharing Agreement substantially in the form of Exhibit B to the Security Sharing Agreement agreeing to be bound by the obligations of the Bank under the Security Sharing Agreement with respect to such Seller Retained Loan and its Shared Security; and (B) a Release of Security to the Custodian in respect of the Shared Security for such Seller Retained Loan to be held as a Release of Security under the Security Sharing Agreement (unless such sale, transfer or assignment results in a single Person beneficially owning (or owning) all of the Related Loans); or

- (iii) being provided or coming into possession of written evidence that the Bank or any beneficial owner (or owner) of Seller Retained Loans that has executed and delivered a counterpart to the Security Sharing Agreement in respect of one or more Seller Retained Loans has commenced a challenge to the validity, legality or enforceability of Section 2.2 (Priority), Section 2.4 (Trust), Section 3.1 (Same Servicer for Related Loans and their Shared Security) or Section 3.5 (Enforcement Procedures) of the Security Sharing Agreement in relation to one or more Seller Retained Loans or their Related Loans (each an affected Related Loan) in legal proceedings before a court of competent jurisdiction,

provided that in the case of any advice, breach or challenge described in this Section 12.5(a) by a beneficial owner (or owner) of Seller Retained Loans, such beneficial owner (or owner) beneficially owns (or owns) Related Loans of the affected Related Loans that are the subject of or affected by such advice, breach or challenge.

- (b) The Servicer shall immediately provide notice identifying the affected Related Loans to the person taking any action which under Section 12.5(a) could give rise to the requirement on the part of the Servicer to deliver a notice pursuant to Section 12.5(a) upon receiving notice of or becoming aware of any actions on the part of such person or receiving any direction, as applicable, that if not remedied or withdrawn, as the case may be, could give rise to a requirement on the part of the Servicer to deliver such notice under Section 12.5(a).

- 17.6 The Servicer shall deliver to the Guarantor and the Bond Trustee as soon as reasonably practicable but in any event within five Canadian Business Days of becoming aware thereof a notice of any Servicer Termination Event or any event which with the giving of notice or lapse of time or certification would constitute the same. Such notification shall specify which event in Article 17 has occurred and was the cause of such Servicer Termination Event (or any event which with the giving of notice or lapse of time or certification would constitute a Servicer Termination Event), a description of such Servicer Termination Event, and, if relevant, a reference to the provision in this Agreement or the other Transaction Documents which the Servicer has breached.

- 17.7 Termination of this Agreement or the appointment of the Servicer under this Agreement shall be without prejudice to the liabilities of the Guarantor to the Servicer or *vice versa* incurred before the date of such termination. The Servicer shall have no right of set-off or any lien in respect of such amounts against amounts held by it on behalf of the Guarantor.

Such monies so receivable by the Servicer shall be paid by the Guarantor on the dates on which they would otherwise have fallen due hereunder. For the avoidance of doubt, such termination shall not affect the Servicer's rights to receive payment of all amounts (if any) due to it from the Guarantor other than under this Agreement.
- 17.10 If an Insolvency Event occurs in relation to any person to whom a Servicer has subcontracted or delegated part of its obligations hereunder, such Servicer will notify the Bond Trustee and it will, as soon as possible and in any event within ten Canadian Business Days of such an event occurring, terminate the relevant sub-contracting or delegation arrangements.

ARTICLE 18 FURTHER ASSURANCE

- 18.1 The parties hereto agree that they will co-operate fully to do all such further acts and things and execute any further documents as may be necessary or desirable to give full effect to the arrangements contemplated by this Agreement.

- 18.2 Without prejudice to the generality of Section 18.1, the Guarantor shall upon request by the Servicer forthwith give to the Servicer such further powers of attorney or other written authorizations, mandates or instruments as are necessary to enable the Servicer to perform the Services.

 - (b) make or exercise any claims or demands, any rights of counterclaim or any other equities against or withhold payment of any and all sums of money which may at any time and from time to time be standing to the credit of a Guarantor Account.
- 19.4 Notwithstanding any other provisions of this Agreement, all obligations to, and rights of, the Guarantor under or in connection with this Agreement (other than its obligations under Article 20) shall automatically terminate upon the repayment of the Loans and the discharge in full of all amounts owing by the Guarantor under the Intercompany Loan

 - (f) in relation to any information disclosed to the professional advisers of the relevant party or (in connection with any review of the current ratings of any Covered Bonds issued under the Programme or with a prospective rating of any debt to be issued by the Bank) to any credit rating agency or any prospective new servicer; or

ARTICLE 22 NO PARTNERSHIP

It is hereby acknowledged and agreed by the parties that nothing in this Agreement shall be construed as giving rise to any partnership between any of the parties.

ARTICLE 23 ASSIGNMENT

- 23.1 The Servicer may not assign or transfer any of its rights and obligations under this Agreement without the prior written consent of the Guarantor and the Rating Agency Condition having been satisfied in respect thereof. For greater certainty, nothing in this Section 23.1 shall affect the rights of the Servicer under Section 3.2.
- 23.2 The Servicer acknowledges that the Guarantor has, pursuant to the Security Agreement, *inter alia*, assigned by way of security all its rights, title, interest and benefit, present and future, in and to, all sums from time to time standing to the credit of the Guarantor Accounts and all of its rights under this Agreement to the Bond Trustee (for itself and on behalf of the Secured Creditors).

ARTICLE 24 BOND TRUSTEE

- 24.1 If there is any change in the identity of the Bond Trustee in accordance with the Trust Deed, the Servicer, the Seller and the Guarantor shall execute such documents and take such action as the successor Bond Trustee and the outgoing Bond Trustee may reasonably require for the purpose of vesting in the successor Bond Trustee the rights and obligations of the outgoing Bond Trustee under this Agreement and releasing the outgoing Bond Trustee from its future obligations under this Agreement.
- 24.2 It is hereby acknowledged and agreed that by its execution of this Agreement the Bond Trustee shall not assume or have any of the obligations or liabilities of the Servicer, the Seller or the Guarantor under this Agreement and that the Bond Trustee has agreed to become a party to this Agreement for the purpose only of taking the benefit of this Agreement and agreeing to amendments to this Agreement pursuant to Section 26. For the avoidance of doubt, the parties to this Agreement acknowledge that the rights and obligations of the Bond Trustee are governed by the Trust Deed and Security Agreement. Any liberty or right which may be exercised or determination which may be made under this Agreement by the Bond Trustee may be exercised or made in the Bond Trustee's absolute discretion without any obligation to give reasons therefore and the Bond Trustee shall not be responsible for any liability occasioned by so acting if acting pursuant to Section 18 of the Trust Deed without prejudice to its obligation to act reasonably where so required pursuant to the terms of the Transaction Documents.

ARTICLE 25 AMENDMENTS, VARIATION AND WAIVER

- 25.1 Any amendments to this Agreement will be made only with the prior written consent of each party to this Agreement provided, for certainty, no such consent shall be required in connection with the amendment or other change to the rate of interest on Advances. No waiver of this Agreement shall be effective unless it is in writing and signed by (or by a person duly authorised by) each of the parties. Subject to Section 3.2 of the Master Definitions and Construction Agreement and to the following sentence, each proposed amendment or waiver of this Agreement that is considered by the Guarantor to be a material amendment or waiver shall be subject to satisfaction of the Rating Agency Condition and the Guarantor (or the Cash Manager on its behalf) shall deliver notice to the Rating Agencies of any amendment or waiver which does not require satisfaction of the Rating Agency Condition provided that failure to deliver such notice shall not constitute a breach of the obligations of the Guarantor under this Agreement. For certainty, any amendment to (a) a Ratings Trigger that (x) lowers the ratings specified therein, or (y) changes the applicable rating type, in each case, as provided for in this Agreement, or (b) the consequences of breaching a Ratings Trigger, or changing the applicable rating type, provided for in this Agreement that makes such consequences less onerous, shall, with respect to each affected Rating Agency only, be deemed to be a material amendment and shall be subject to confirmation of the satisfaction of the Rating Agency Condition from

each affected Rating Agency. No single or partial exercise of, or failure or delay in exercising, any right under this Agreement shall constitute a waiver or preclude any other or further exercise of that or any other right.

ARTICLE 26 NON-PETITION

- 26.1 The Seller, Servicer and Cash Manager agree that they shall not institute or join any other Person or entity in instituting against, or with respect to, the Guarantor, or any of the general partners of the Guarantor, any bankruptcy or insolvency event so long as any Covered Bonds issued by the Issuer under the Programme shall be outstanding or there shall not have elapsed one year plus one day since the last day on which any such Covered Bonds shall have been outstanding. The foregoing provision shall survive the termination of this Agreement by any of the parties hereto.

ARTICLE 27 COUNTERPARTS AND SEVERABILITY

- 27.1 This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which when taken together shall constitute one and the same Agreement.
- 27.2 Delivery of an executed signature page to this Agreement by any party by electronic transmission will be as effective as delivery of a manually executed copy of the Agreement by such party.
- 27.3 Where any provision in or obligation under this Agreement shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations under this Agreement, or of such provision or obligation in any other jurisdiction, shall not be affected or impaired thereby.

ARTICLE 28 GOVERNING LAW

- 28.1 This Agreement shall be governed by, and construed in accordance with, the laws of the Province of Ontario and the federal laws of Canada applicable therein, without regard to conflict of law principles.
- 28.2 Each of the parties hereto irrevocably attorns and submits to the non-exclusive jurisdiction of the courts of the Province of Ontario in any action or proceeding arising out of or relating to this Agreement, and hereby irrevocably agrees that all claims in respect of such action or proceeding may be heard and determined by such courts. Each party to this Agreement hereby irrevocably waives, to the fullest extent it may possibly do so, any defence or claim that the courts of the Province of Ontario are an inconvenient forum for the maintenance or hearing of such action or proceeding.

ARTICLE 29
LIABILITY OF LIMITED PARTNERS

- 29.1 HSBC Canadian Covered Bond (Legislative) Guarantor Limited Partnership is a limited partnership formed under the *Limited Partnerships Act* (Ontario), a limited partner of which is, except as expressly required by law, only liable for any of its liabilities or any of its losses to the extent of the amount that the limited partner has contributed or agreed to contribute to its capital.
